The Lingayet Matt and temple at Yediyur in the Kunigal Taluk:-

----------O----------

Referring to the 2nd Councillor's remarks on the Tumkur Deputy Commissioner's letter No. 979, dated the 23rd May 1907, I beg to submit as ---- follows:-

The affairs of this temple are now under the management of Govt in the Muzrai Department. The manager of the temple having complained against the interference of Govt, the 2nd Councillor gave the parties a hearing, and under his direction, the Deputy Commissioner was demi-officially asked to submit a fur-ther report. His reply, which has been received, will be submitted separately.

It has been decided that the temple should continue under Govt management
Ld 16/9/07

2 Whether the institution continues ~~in~~ under ~~the~~ Govt management or whether it is retransferred to the manager, does not, in my humble opinion, affect -- the present question. It is the duty of the temple -- authorities to look to sanitation during the Jatras when always a large concourse of people assemble. The payment of Rs. 30 recommended by the Deputy Commissioner appears therefore absolutely necessary and it may, it is submitted, be sanctioned. If the management continues in the hands of Govt, they will pay the amount as Trustee, debiting the charge to temple funds. If, on the other

hand, the management is retransferred to the manager

he may be required to meet the charge.

Does such an arrangement
Subsist in respect of any
other Temples? For instance
the Mecklota Jatra or
the Nandi Jatra?
Are the Temple funds
expected to bear the charge
for Sanitation?

Sir,

In Continuation of this office docket No 556 dated 21st December 1906 reporting on the affairs of the Sri Siddalingeswaraswami Temple at Yediyur in the Kunigal Taluq, I have the honour to state that a sum of Rs 30/- is being provided and paid annually from the District Funds of this

this District to meet conservancy charges on the occasion of the car festival of that deity. Now the members of the Taluq Board of Kunigal are of opinion that the payment of Rs 30/- may be abolished hereafter in consideration of the fact that the temple itself can afford to meet this charge out of its yabia receipts which amount to about Rs 1000/-. A Copy of the Proceedings of the meeting of the Board together with the Vernacular papers on the subject is herewith forwarded for orders.

I have the honor to be,

Sir,

Your most obedient Servant
